After the event has been filled, we will begin a waiting list and interested artists will be contacted in case of cancellations.

The deadline for applications is September 19<sup>th</sup> on 11:00. Accepted applicants will hear back within a few days. While we expect all the confirmed curators to be in attendance, sometimes due to unforeseen circumstances there are late cancellations. In the unfortunate event that one or more of our selected curators should have to cancel, we will make every effort to fill their spot with an equally high caliber curator.
